

Influences

I Chose Escher as my influence for this project as his work encapsulates how we see the world through human vision and other views shown to us in the world seen in his work
 “Hand With Reflecting Sphere.”

M.C Escher

M.C Escher was born in the Netherlands in 1898. He was a graphic artist who focused on how we see things, he explored the mechanics of perception in his art, showing how seeing things through a different lens can alter our perception and often fool it. He also did his work in monochrome which I have used
